Dear <Courtesy> <Last Name>:

With your investment interest in the real estate development and construction industry, I am writing in hope that you may be able to offer some insight to me regarding executive opportunities in the Xxxxxxxx, especially Xxxxxxx and surrounding areas. Most recently, I built a start-up division to recognition as one of the Top 250 Global Contractors worldwide with 4,500 professional staff and 16,000 tradespeople turning over \$2.5 billion in projects annually.

The fluctuations of today's economy require a resourceful and analytical approach to commercial real estate and urban development with careful attention to delivering sustainable design solutions, strategic solutions to complex projects, and an efficient organizational structure that maximizes ROI.

For top developers, construction companies, or investors in the Xxxxxxx area who relate to the above statement, I offer an infusion of executive talent and strategic insight, and the proven ability to drive results. My value offering has been repeated and
